Why be a professional athlete? The opportunity to use my talents everyday and being my own boss.

What will you do once race career is over? Become a successful and recognized team owner and manager as well as run my own company.

Athlete recognition

"to give back to the sport that I'm blessed to be part of", (Nathan Herbert)

Nathan is proud to be selected to be the first Canadian athlete to represent the Wings For Life Foundation. Wings for Life Spinal Cord Research Foundation is a non-profit organization that promote research worldwide towards a putative cure for Spinal Cord Injury (SCI) Paralysis.
